How much time should I give?

This is a flexible role for which we'd suggest a few hours a month, or more if you have the time.

Apply today by completing an online application form.

Then we'll contact you to discuss your application and the role in more detail, and answer any questions. Contact Nicola Newhams on 0300 1000 200 or fundraising@macmillan.org.uk to find out more.

At Macmillan, we know cancer can affect everything. But right now, we can't reach everyone who needs us. Almost half of us will get cancer, and we need your help to make sure that people get the support they need. Whether it's minutes or months, hours or days, **the time you give by volunteering with Macmillan really does matter.**

Make time matter. Volunteer today.
